April Wagner

A B O U T

epiphany studios, ltd is owned by artist and master glassblower April Wagner. In operation since 1993 and located in Pontiac, MI, we create custom functional and sculptural hand-blown glass pieces.

C A P A B I L I T I E S

epiphany studios, ltd is a one-stop solution for your corporate gift and award programs. We offer complete design, manufacture, gift boxing, and shipping services for your ease. We work closely with each client to create brand-specific or event-specific hand-blown glass pieces that fulfill and surpass expectations. We take an artistic approach to every project, coming up with creative, hand-made solutions that are unique, thoughtful, and brand and budget sensitive, with the added bonus of being locally made in Michigan.

epiphany studios, ltd is where world-renowned artist, April Wagner, creates her large-scale sculptures for corporate, residential, and public locations. April recently completed a 26' x 30' sculpture for Cobo Center in Detroit. She can create site-specific sculptures for your corporate offices to set you apart from your competitors, excite your employees, and engage vendors with your brand.

epiphany studios, ltd also hosts private events in our state-of-the-art hot glass facility and gallery, offering guests the opportunity to work with molten 2000 degree glass. Located in an idyllic private setting with lush gardens and water views, the studio has played host to teambuilding events, board meetings, fundraisers, meet and greets, awards presentations, and holiday parties. Comfortably holding up to 45 people, events are tailored to meet the specific food, beverage, and logistics needs of your group. Our glassmaking opportunities are a unique way to engage with your employees, clients, or vendors. Guests will leave with an experience they will never forget and a glass piece that they made themselves.
